Step Forward Private step challenge
1 Jan – 31 Jan 2021

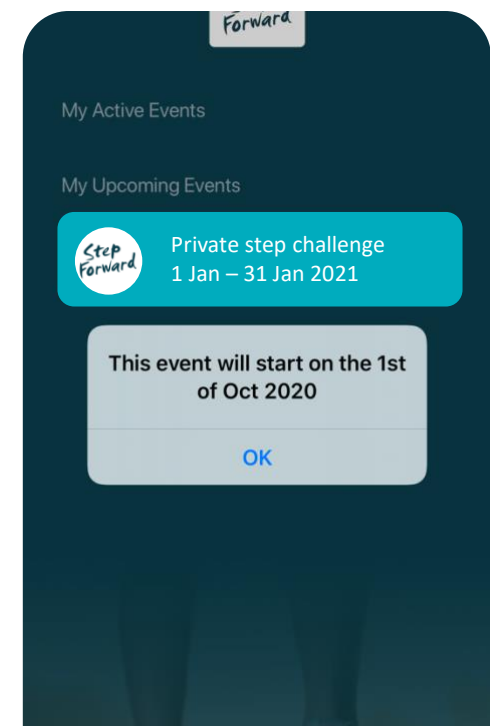

Click the challenge that you want to join.

If required, enter the challenge code.

Your challenge will now appear under 'upcoming events'

The challenge will not be accessible until the start date.

Once the challenge has started, you will then be able to connect with a device to start tracking your steps.

Be sure to check out our User Guides to help you with this process.
